Congratulations on your forthcoming wedding.

### Your special day

Colin Smith of Stonecot Studios is an experienced photographer who has been photographing weddings for 18 years. His calm and patient manner is perfect for capturing your special day unobtrusively and with the minimum of fuss. His experience in photographic technique and natural creativity will leave you with a set of beautiful images to remember your day.

Stonecot Studios offers both traditional and informal styles of wedding photography.

We give you a personal service and take time to discuss what you require. We have the experience to create a truly beautiful set of wedding photographs that you will treasure forever.

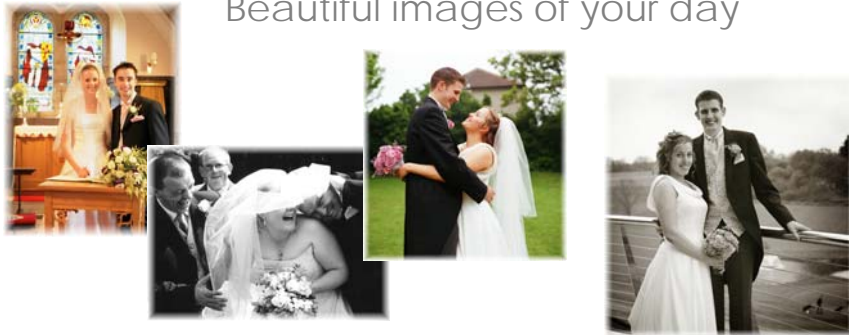

When you have looked through this brochure, please give us a call to arrange a chat and have a look at some more of our wedding photography.

Natural and creative photography

Beautiful images of your day

Relaxed and friendly approach
